2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Refining and continuing to teach our Positive Behaviour Matrix to all students
- Developing a greater understanding of Alberta Education Competencies
- Advancing Numeracy skills

You Can Help By:

- Reviewing the PBIS expectations of being Safe, Responsible and Respectful with your child
- Participating in games and activities that utilize problem solving skills
- Playing math games with your child

Next Year You Can Look Forward To:

- Continuing to develop our PBIS practices within the school and classroom
- Increased focus on learning opportunities related to career education
- Implementation of RVS Literacy and Numeracy Blocks

Information is based on our 2024/25 school education plan.
