### c. Fundraising Report:

Main goal for fundraising - \$12,160 for both council and society

- Pleasure craft operating certificate – potential fundraising for the spring

Grants – Buddy bench is going through the school. CFEP – government grant, may be getting restructured. CIP capital grant, looking into this for technology and the school is getting a list technology. Canadian Tire grant has to go through the school because they have personal information that can't be given out by us. Provincial CIP-Operational grant for the insurance – can be looked into, half of your insurance, once every 3 years, which is \$1,385. County operational grant – can be looked into.
