

Report to School Council

November 25, 2013

- Terry Fox Run
- Grade 6 class to Sandy Cross
- Green Start greenhouse program for Grades 3 & 4
- Grade 5 student vaccinations
- Kindergarten to Corn Maze
- Grade 7-9 Boys and Girls Volleyball
- Beginner Band concert
- Remembrance Day ceremony
- Book Fair
- Student Led conferences
- Clay for Kids
- GRADE reading tests
- Student Orientation to School survey
- Grade 7 Computers have arrived; distributed tomorrow (hopefully)
- Internet upgrade – new wires and access points in place, still some glitches
- Long Term renovations: a plan is being developed for maximizing use of space. Could be a multi-year project
- Electrical upgrade prohibitively expensive. The division is providing 15 Chromebook computers (can be charged and will last all day) to increase flexibility for classes throughout the school.
- Teacher Professional learning related to 21st Century Competencies
- School Annual Results Report – questions or comments (included in last month's newsletter)
